Testimonies of students of Batch 1

“Very thankful to the faculty and CPA Services for introducing this crash course at the time of stress and blues all around. It was a very great learning experience” - Anubha Sachdeva, Centre for Responsible Business CRB - Dy. Manager(Finance)

“Over all facilitation of the course was good. We appreciate all the team members for critical analysis and facilitation of the course.” – Gajendra Mohanty, PASDO - Project Director

“This Programme added value to my professional life. This Programme gives me updated information on FCRA 2010 before this I had some information on FCRA. But now I have complete knowledge on updated FCRA Law. The study materials given by you are in a very easy language, due to which I have understood them well.”- Tek Chand, HAQ Centre for Child rights
