The Finance bill, 2022 presented on 1st February, 2022 has mentioned various amendments to the Income tax laws pertaining to NGOs and charitable institutions in India. These changes would have far-reaching implication on the NGO's operations and statutory compliances. In order to have a better understanding of the changes and its practical implication on NGO Charities, FMSF is organizing a webinar on "Decoding impact of Budget, 2022 on NGOs"

11TH FEBRUARY, 2022
