

MOHINI CHAUDHARY

Lead Grants

Mohini Chaudhary has been associated with FMSF for the last 6 years and is working as Lead Grants with FMSF. She is responsible for the overall Fund management and project monitoring of the 150 projects in the South Asia region.

She holds the Diploma degree in Rural banking and finance from Institute of Rural Management, Jaipur. She has an overall work experience of 10 years and began her career with India's leading K-12 Education technology company. Later, she worked with an initiative of Tata Trusts and was responsible for the Grant Management and Knowledge management. She has assisted the implementing partner organizations in finalizing the project budgets, reports, contract drafting and in managing the fund channelized to them. She contributes to the on-going development and planning of the design and implementation of the project.

She undertakes the systems and process strengthening of the partner organizations, organizational visits and reviews partner level management processes in the areas of financial management, legal regulations, internal control and governance. She also conducts pre-funding assessment of the partner organization and Organization profile analysis as per the requirement of the project.

She is also facilitating workshops and training on NGO Governance, Internal Control Mechanism, Project related compliances and Financial Management.

Besides from her regular work she loves travelling, hiking, yoga, books, badminton also interests her. She is enthusiastic and open to learning new thing
