

SIMRAN MITTAL

Capacity Building Officer

Simran Mittal works as a Capacity Building Officer at FMSF. She served as a Gandhi Fellow for Piramal Foundation for a duration of two years. During this time, she collaborated with the Rajasthan State Institute of Educational Management and Training (SIEMAT) in conducting capacity building training workshops for education officers as part of the State Transformation Program.

To gain a deeper understanding of grassroots development in India, she actively volunteered with various organizations. Beyond her professional endeavors, she is a multi-talented individual with interests in theater, she identifies herself as a change maker, committed to making a positive impact in society.
