

MS. SUNAKSHI JAITLEY

With over more than 6 years of experience as a Graphic designer, She is highly skilled and versatile professional specializing in graphic design and video editing. Her expertise lies in utilizing the Adobe Creative Suite, including Adobe Photoshop, Illustrator, InDesign, Premiere Pro, and After Effects, to create visually compelling and impactful designs. She is passionate about creating innovative and engaging designs that effectively communicate clients' messages and exceed their expectations.

She has completed a comprehensive 3-year certificate course at Arena Animation, a renowned institution for multimedia and design education. This program equipped me with a strong foundation in graphic design, video editing, and animation, enabling me to deliver high-quality designs across various platforms.

Currently, she is associated with CPA services handling the graphic department and all the projects coming under the same lead. She has Graduated in commerce from CCSU (Chaudhary Charan Singh University).
